DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

After a careful review of the appeal brief submitted on July 6, 2009. The examiner of record concluded that claims 10-22 are allowable over the prior art in view of appellant's arguments as disclosed on pages 4-5. Appellant has persuasively argued the issues summarize in the section title GROUNDS OF REJECTION TO BE REVIEWED ON APPEAL on page 4. Conclusively, applicant's arguments overcome the rejections of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to JOHN F. RAMIREZ whose telephone number is (571)272-8685. The examiner can normally be reached on (Mon-Fri) 7:00 - 3:30 p.m.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Brian L. Casler can be reached on (571) 272-4956. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
